Repository / Scott Heckel

Alliance natives Alison Broache and her husband, Marine Staff Sgt. Frederick A. Broache, became proud parents of a newborn son, Broderick Allen, at 10:43 p.m. Monday. Frederick, who is serving in western Iraq, saw his child for the first time via video conference Tuesday in Alison's recovery room at Mercy Medical Center in Canton. Frederick's mother, Shirley Rakes (left), also was present.
