

# THE PLAIN DEALER

Photograph of the Day – Monday, November 15, 2005

Bill Kennedy / The Plain Dealer

Marine Lance Cpl. Benjamin Scott Merold, who is based in Fallujah, Iraq, got a chance to see his newborn son, Noah, and his wife, Dayna, of Brunswick, at Fairview Hospital Monday. Noah was born Friday, Veterans Day. The family was reunited, if only for a short time, through the Freedom Calls Foundation, which arranges telephone, Internet and videoconferencing services between troops in Iraq and Afghanistan and their loved ones at home.
